

Happy 2021 ....

Although it has been an incredibly difficult week, it was wonderful to get all the students back in school and in band. For those who may not have been aware, the BAS leadership did ultimately come through with the needed materials and equipment to enable band classes at all three schools to be able to play indoors for at least a portion of their time. This is particularly important for our youngest players and we want to acknowledge and thank all that did what was needed to make this happen.

### **Solo and Ensemble**

Just a reminder that Solo and Ensemble will be held virtually January 18-22. The performances will be held in the BCPA and submitted electronically for adjudication. No audience is permitted due to Covid precautions. Students should have already turned in the registration form and paid the registration fee. Mrs. Hoffman will work with the students to determine performance date and time.

Thank you for your ongoing support of the bands during this very difficult time. Please stay safe and healthy and wear your mask!

Sincerely,

Mark Burnham
