

Brighton Band Boosters

Proud Parents of Brighton Band Students

Show your support for the Brighton Bands in 2019-2020!

Dear Brighton Community Member,

The Brighton Band Boosters are kicking off their annual fundraising campaign for 2019-2020. We hope that you will continue to support your Brighton Band Program, a proud supporter of the Brighton community for more than 75 years, as a sponsor. Your sponsorship means that you will be backing one of the largest musical organizations in the state of Michigan which reaches over 600 families in the Brighton area! Our bands need your support to continue the success that makes them one of the most sought-after programs in the country and internationally, including appearances in London, England, the 2017 Outback Bowl in Tampa, FL and Hawaii in 2020 as the Michigan representative in honor of the end of World War II.

Sponsorship levels:

Bronze:	\$25-\$99	Listing in program
Silver:	\$100-\$149	Quarter page ad in program
Gold:	\$150-\$249	Half Page ad in program
Platinum:	\$250-\$499	Full-page ad in program
Diamond:	\$500+	Premium ad in program

Benefits of your sponsorship:

- You will be listed in all Concert programs (Print is based on Sponsorship Level)
- Website listing on our Band Boosters website: <http://www.brightonbandboosters.org>
- 2 Tickets to Spring High School Band Concert in May.

We invite you to experience the talent of these dynamic groups by attending any of several concerts throughout the year, including Band-O-Rama in October, the Holiday Concert in December, the Spring Concerts in May, and marching at the Memorial Day parade. Of course, there is also the excitement of seeing the entire group perform at home football games of Friday nights at BHS!

Please return your contribution with the enclosed form and if placing an ad, send your ad to: sdiagnault@gmail.com. You may contact Stephanie Newton, Band Boosters Sponsorship Chair at 810.278.1690 or sdiagnault@gmail.com with any questions.

We look forward to hearing from you!
