

BHS MARCHING BAND

UNIFORM CARE INSTRUCTIONS

UNIFORM FIT

PANTS: The pant length should end at the bottom of the ankle. The crease should not have a fold/bend in it when you stand at attention. Wear your shoes when measuring pant length.

JACKET: The sleeves are to come to the bottom of the wrist. This may be shorter than you normally wear.

HAT: NO HAT "SLAPPING". Keep hat and plume (in tube) in the hatbox when not wearing. To put plume into tube, insert plumes TOP FIRST. This will insure feathers lay in the right direction. Wipe hats clean at the beginning of the season, and as needed throughout the season.

COLORGUARD: DO NOT wash, dry, spray, dry-clean, hem, cut, staple, tape, or alter in any way. See CG Coach with questions or concerns.

UNIFORM ALTERATIONS

HEMS: Sew the hems in by hand. UNDER NO CIRCUMSTANCES should the fabric be cut, or the original hems in sleeves or pants removed. NO STAPLES, GLUE, TAPE, STITCH WITCHERY/HEM TAPE, OR SEWING MACHINE HEMS.
