

Happy Sunday!

This will be an exciting week for the band as we will have the opportunity to perform as a unified band at the home football game on October 9th. We will maintain separate groups during the week, and will only come together on Friday. So we need special attention to the schedule, continued mask wearing and maintaining of social distancing and continued efforts to collaborate to get the job done and to make sure we all stay safe.

In this edition:

Fruit Sale

As you know, it takes money to make the band go, and this year, with the loss of concessions revenue, it is important to raise funds to support the bands. We have worked with the good people at Florida Indian River Groves to create a fundraising program to support both the BHS and Scranton Bands. The entire process will be online, and fruit will be delivered directly to the customer - no need to have the fruit shipped to the school and distributed from there. We are in the final stages of getting the website up and running - so look for an email later this week with the links and an electronic brochure.

Scranton students, this will be your annual fundraiser to support the band. BHS students, we recognize the financial challenges both on the band and on the families at this time, half of the proceeds will be put on the student account to pay for things such as band camp, uniform costs etc, and half will go to support the general fund.

Spirit Wear

We are excited to also announce that we will be accepting orders for Spiritwear until October 12. Please go to https://www.ivoryvines.com/brighton-bands?fbclid=IwAR3yC3zp8WH_6V2fmt0-6OLp5YI7HyI9EWHaaWYEGtOSwgalrDfDISgazuc and select your items!!!
