

Dear Band Parents,

This is a big week, and we especially want to acknowledge the passing of Mr. K on December 9th. Carl Klopshinske was the Director of Bands for Brighton High School for 33 years. His legacy in this community is this **amazing** band program that continues to strive for excellence. A part of that legacy is the Mr. K Scholarship fund which is funded through ticket sales at the Fall and Spring concerts. The Band Boosters will be making an additional contribution to be announced at the concert this week. If you would like to donate to the scholarship fund in his honor, please contact me at President@brightonbandboosters.org.

Meier Flowerland Flower of the Month Cards

As most of you will recall, the BHS bands started selling Meier Flowerland Flower of the Month Cards last year. The cards cost \$40, but they entitle you to one free flower of the month, every month for a year from the first date of use (so you can buy them as gifts). Also, it gives you a 15% discount each season on seasonal items such as poinsettias. \$7 of each card sold goes to the account of the student who sells it. These were very popular last year and most probably are running out so now is the time to get more!

Thanks again for all you do to support the bands! Go Dogs!
