### **Friday Rehearsal/Run of Show**

Although we will not be performing at a football game this season, we do have three performances at the stadium. This Friday, September 25th, October 16th and October 23rd. Per Principal Gavin Johnson, we are allowed to have two parents per student attend and will be utilizing the same protocols as the football team will be using. This means that two parents are allowed to attend per student. Please do not bring more than two, and no siblings or grandparents. Parents must sit six feet apart from other attendees and wear your masks. Only attend the performance your student is a part of...if you have a student in both performances, please exit between the performances and re-enter so we can assure that we are following the two person per student limit. Please do not attend if you or anyone in your household is ill or has been exposed to COVID. Bands will perform as we did for the end of Band Camp, East Band and West Band will rehearse and perform separately. Students will be offered the chance to sign up for Pizza between rehearsal and performance. Cost is \$5.

West Band Parents - parent entrance will be at the main gate. Gates will open at 6:35. We need you to leave the stadium immediately following the West Band performance. If you also have a student in East Band, please exit and re-enter with the East Band Parents.

East Band Parents - Parent entrance is also the Main Gate, but we ask you to wait on either side of the gate with enough distance to allow the West Band and parents to depart without mixing. Gates will open as soon as the West Band and their parents have exited the stadium. (You will have plenty of time as East Band does not step off until Percussion, Sousa and Color Guard have met up with them.)
